

President's Bark

I hope everyone had a great Christmas with friends and family. The Christmas party had over 30 members attending; good food; great cheer; and lots of fun!! Thanks to everyone who was able to attend to make the party a huge success! We held a short meeting to elect new members and the club resoundingly voted to accept Will Murray as a full fledge member. Will has been very active in supporting the club and will make an excellent addition to our group as a voting member.

This month has been quite slow for dog events. Our handling class was shut down for the holidays and will start back up on January 8 of next year at the same time (7:00 pm) and at the 4 Paws Building. I know that many of you may be attending the dog shows in Puyallup or Portland and want to knock the rust off your dogs and your handling. We also have the Family Expo coming up on Friday, January 24th and Saturday, January 25th. Bonnie will be calling to set up the schedule for you to bring your dogs to help present examples of good animals and responsible ownership.

If you have not heard by now, Blackie and Mary Witzel sold their house and will be heading to Illinois right after the first of the year. They will be sorely missed not only for their friendly attitude but for all the work they do to support the club. We wish them the best of luck in their new endeavor.

Finally, our next meeting will be Thursday, January 9th at 7:30pm in the Richland Community Center. I look forward to seeing all of you there and wish you all a happy and healthy new year.

Your President
